Hello Amber,

The "clean" document I sent you previously retained your comments but I have attached one to this email that is completely clear of comments and revisions. If you have any other questions please let me know.

Thank you,
Quinn

Subject: Treated Seed Petition Briefing

Hello Amber,

I hope you are doing well. Attached are the clean and redline versions of the treated seed petition briefing. The clean version still retains your comments for ease of reading. I would like to call your attention to the addition of another option for the briefing.

Deliberative Process / Ex. 5

If you would like to talk about any of these changes please let me know and we can set up a meeting to discuss them. Following your review, I think it will be ready for review by the science teams and other relevant parties in PRD. I hope you have a great day and if you have any other questions please let me know.

Thank you,
Quinn
